Department of English
3rd and 4th Standard

As part of the department of English for the academic year 2022 - 2023, we planned the whole year academics according to the provided syllabus and NEP. For the standard 3rd and 4th all the chapters are completed according to the year plan. Activities based on the NEP are done properly on particular times. Writing practices and reading practices are provided for the weak students as well as the others. As part of the integrated learning, students witnessed the life of the Himalayan tribes through a video presentation. The audio - visual aids are used time to time to make the learning process more interesting for the learners. The videos related to chapters and activities are provided using the A. V. aids. As part of the NEP both the classes, 3rd and 4th presented their own dramas in the classroom. The drama of the 3rd standard was 'The Mole and the Rat' and the drama of the 4th standard was 'The Youngest Prince. 4th standard students practiced and presented a song from their textbook in the assembly in a fabulous way. The grammar portions are edited and altered for the better understanding of the learners and through the help of A. V. aids provided them the best clarification about the 'Parts of Speech'. Throughout the year a number of activities were given to the students as part of the curriculum. Proper reading and writing practices were given to the students and the speaking practices were done in the classroom. Most of the students presented their speeches in the language English when they are in a competition. It gave them more comfortable with English. Chart preparation was one of the major activity and also paragraph writing and letter writing was there. Story telling sessions and poem writing competitions were conducted. Monthly once or twice each student got a chance to speak in front of the others. It helped the students to improve their communication skills. Class tests were conducted on regular intervals of time and according to the marks and performances the students were categorized and given more care to make them competent to each other.
